REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The allowance of the instant claims is based on Applicants filing on December 30, 2005 of the Terminal Disclaimers. The Examiner would like to clarify the ambiguity of the rejection of claims 61, 69 and 135-137 set forth in paragraphs 1-3 of the previous Office Action. Although the claimed compounds appear to be the same as the compounds of the '746 patent the instant claims are a product-by-process claim and therefore the correct rejection would have been a obviousness-type non-statutory double patenting rejection. Said rejection was obviated by Applicants' Terminal Disclaimer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Porfirio Nazario-Gonzalez whose telephone number is 571-272-0641. The examiner can normally be reached on Mon.-Fri. (9:30 AM - 6:00 PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Johann R. Richter can be reached on 571-272-0646. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
